

NEED A CUSTOM CHAIR MAT?

FROM INEXPENSIVE CHAIR MATS TO CUSTOM CUT LIFETIME WARRANTY CHAIR MATS WE'VE GOT YOU COVERED.

CUSTOM CHAIR MATS - Can be fit to your specific work environment and work habits to allow effortless mobility in your work area, reducing the risk of back strain and protecting your carpet. No more rolling on and off a chairmat that is too small. Our chair mats are available in a variety of thicknesses and sizes that we cut to your specific needs. Our thicker materials allow for a firmer surface and have a lifetime warranty against cracking and breaking. The force of a chair is 100 times greater than that of a footstep. A properly fitted chairmat will protect your carpet from unwanted wear and give you years of service.

Need a huge chair mat?

We have developed the link mat system which can link several mats together to create one huge chairmat.
